I am against Bills #8 and #9 because placing locations on advertising causes security issues.

Placing and address on their advertisements invites crime into my neighborhood since the thief knows where it is and when its vacant.

I personally enjoy having a few responsible vacation rentals in the neighborhood. The upkeep that is required on their properties have improved the conditions of the neighborhood. Local business revenue have increased providing a higher standard of living for friends, family and neighbors. It also gives other friends and family and affordable place to stay when coming back to the islands.

Sincerely,

Anna Pollard
